WORK EXPERIENCE

Food Services Assistant (July 2023 - Present)

I am currently working permanent part time as a Food Service Assistant at Royal North Shore Hospital. This is a fast-paced environment whereby I assist in the production of meals and serving. In addition, I ensure a high level of cleanliness in the kitchen environment. I have daily interactions with patients as they receive their meals.

Canteen Assistant (March 2023 - 2023)

I worked on a casual basis in the College Canteen. This was a fast-paced environment whereby I manage online ordering and face to face-to-face cash sales. In addition, I maintained stock levels and the general cleanliness of the canteen environment. I was in direct contact with students and parents as they completed the ordering process.

Children's Worker (2019 - July 2023)

I volunteered within a team each Sunday morning to lead, play and supervise groups of up to 20 children. In this capacity I was rostered on to lead the whole group in song and activities as well as small groups of children.

EDUCATIONAL HISTORY

High School Diploma (2017 - 2022)

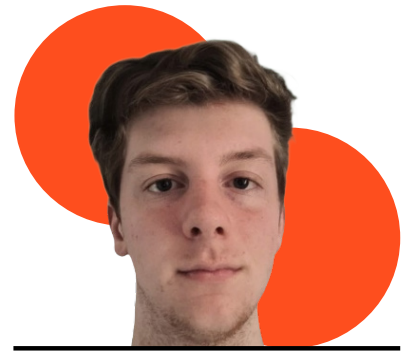

I studied at Toongabbie Christian College.
Subjects studied: Math, English, Legal Studies, Business Studies, Modern History and Drama.

Helen O'Grady Drama School (2015 - 2020)

Since 2015 I have undertaken drama classes, including performance and participation in a range of drama related activities. This has enabled me to gain confidence when interacting with people and with public speaking.

Diploma of Creative Industries & Communication (2025)

I am currently studying at Western Sydney university with the intention of furthering my studies in the field of English.

SKILLS

Communication, Teamwork,
Responsibility, Creativity,
Problemsolving, Adaptive.

ABOUT

I am currently employed as a food services assistant at the Royal North Shore Hospital.

I am looking for opportunities to learn from new experiences.

I have experience in leadership and team activities that demonstrate I would be an asset to an employer.

My volunteer work has taught me the value of commitment and hard work.
